

**Consumer Economic Loss Class Action Settlement Notice – Vivimed Settlement**

**If you are an individual who paid any amount of money for retail purchases of Vivimed Losartan, you could receive a payment from a class action settlement.**

*A Federal Court authorized this notice. This is not a solicitation from a lawyer.*

- A Settlement has been reached in an economic loss class action lawsuit against Vivimed Life Sciences Pvt Ltd and Strides Pharma Science Limited (collectively, “Vivimed”). The settlement is part of a larger lawsuit called *In re: Valsartan, Losartan, and Irbesartan Products Liability Litigation*, Case No. 1:19-md-02875 (MDL No. 2875) (the “Lawsuit”) and is currently pending in the United States District Court for the District of New Jersey (“the Court”). This notice informs you of your legal rights and options.
- The Settlement is intended to fully, finally, and forever resolve, discharge, and settle the consumer and third-party payor class action claims for economic loss related to the sale of finished dose Losartan by Vivimed, or Vivimed’s repackager, Heritage Pharmaceuticals Inc. d/b/a Avet Pharmaceuticals Inc. (“Heritage”), that was manufactured using API allegedly contaminated with nitrosamines including but not limited to NMBA.
- Vivimed has denied any wrongdoing, has denied that the amounts of NMBA in the Losartan and LCDs at issue were or could be carcinogenic, and have asserted various legal and factual defenses to the claims asserted on behalf of the Class.
- The Court has not decided whether Vivimed did anything wrong or whether the Plaintiffs’ claims have merit. This Settlement of Vivimed Losartan economic loss claims does not include or affect any other claims against Vivimed or any other entity, including but not limited to medical monitoring and personal injury claims, nor does it include any claims related to Irbesartan or Valsartan.
- Your legal rights are affected regardless of whether you act or do not act. Please read this Notice carefully.

The net fund (“the Fund”), after deduction of Attorneys’ Fees and Expenses, Class Notice and administration expenses, and Service Awards, shall be administered and allocated between the consumers and Third-Party Payors in a method to be determined by their respective Class Counsel subject to review by the Hon. ### **8. How do I get a payment?**

Consumer members of the Settlement Class shall submit Claim Forms documenting their purchases of Vivimed Losartan Impacted NDCs as provided in the Settlement Agreement and approved by the Court. The Settlement Notice Administrator will review the Claim Forms and any supporting documentation with particular attention to the possibility of fraudulent or mistaken claims.

Documentation should be submitted to support your claim, if possible. Your claim will be reviewed by the Settlement Notice Administrator to determine if sufficient information is provided to accept your claim or if additional documentation, such as proof of purchase from your pharmacy, is required. You may, if you so choose, provide documentation with your claim submission to prevent any possible delays in approving your claim.

If you are an eligible Settlement Class Member, you must submit a Claim Form to receive a Settlement payment. You can submit your Claim online at the Settlement website [www.SartanMedicationSettlement.com](http://www.SartanMedicationSettlement.com) or download a paper Claim Form and submit it by mail. ### **9. When will I get my payment?**

If the Court grants Final Approval, following the effective date described in the Settlement Agreement and any timeline defined in the Court’s Final Approval Order, the Settlement Notice Administrator will distribute payments. Please be patient, as this process can take some time.

## **ADDITIONAL RIGHTS AND OPTIONS**

### **10. What happens if I do nothing at all?**

If you do nothing, you will remain a part of the Class and Settlement. You will receive no payment under the Settlement and you will give up your rights to sue Vivimed for economic losses related to Vivimed’s Losartan. **Submitting a Claim Form is the only way to receive a payment from this Settlement.**

### **11. Can I opt-out of the Settlement?**

Yes, you can choose to opt-out, or exclude yourself, from the Settlement. Choosing this option means you will not be bound by any future determination made in the Settlement; however, you will also not be eligible for a payment from this Settlement. This is the only option that allows you to pursue your own claims against Vivimed for claimed economic losses related to Vivimed’s Losartan.

Questions? Call 1-866-875-9644 or visit [www.SartanMedicationSettlement.com](http://www.SartanMedicationSettlement.com)

## 12. How do I exclude myself?

If you want to keep your right, if any, to separately sue Vivimed for the claims that are addressed by the Settlement, you must take steps to exclude yourself from the Class and Lawsuit. This is called “opting out”. The deadline for requesting exclusion from the Class and Lawsuit is **June 2, 2026**.

To exclude yourself, you must submit a written request for exclusion that includes the following information:

- Your full name, current address, and telephone number, and qualification to participate in the settlement, and;
- A statement specifically and unambiguously indicating your desire to be excluded from the Settlement Class and election to be excluded from any judgment entered pursuant to the Settlement.

You will also be requested to provide information as to the identification of the at-issue losartan you purchased, if available, however this is not a requirement for exclusion.

A printable exclusion request form is available on the Settlement Website [www.SartanMedicationSettlement.com](http://www.SartanMedicationSettlement.com). Your request for exclusion must be mailed to the address below so it is **postmarked or received no later than June 2, 2026**.

PO Box 3376  
Baton Rouge, LA 70821

You may also email a scanned copy of your signed exclusion request form to [info@SartanMedicationSettlement.com](mailto:info@SartanMedicationSettlement.com). You must download, print, complete, and sign the PDF exclusion form found on the Settlement Website to qualify for email submission of your exclusion request. You must include your documentation of purchase or declaration regarding your inability to provide documentation with your exclusion form submission.

By electing to be excluded: (1)you will not share in any recovery that might be obtained by the Class upon Final Approval of the Settlement; (2)you will not be bound by any decision related to the Settlement that is either favorable to the Class or favorable to Vivimed; and (3)you may present any claims you have against Vivimed related to Losartan through your own lawsuit.

Requests for exclusions shall be permitted on an individual basis only. Any purported “class-wide” opt-outs will be construed as being submitted only on behalf of the person who actually submitted the exclusion.

## 13. If I do not exclude myself, can I still sue Vivimed?

No. If you stay in the Settlement Class (i.e., do nothing or do not exclude yourself) you give up any right to separately sue or pursue claims against any of Vivimed for the claims released in this Settlement.

If you also wish to receive payment from the Settlement, you must submit a Claim Form.

plus reasonable costs and expenses related to the Vivimed Losartan economic loss litigation. Attorneys' Fees and Expenses shall be in addition to any Representative Plaintiffs' Service Awards that may be awarded by the Court from the Settlement Fund.

### **19. Can I have my own lawyer?**

If you do not exclude yourself, you do not need to hire your own lawyer because Class Counsel works for you. If you want to be represented by your own lawyer, you may hire one at your own expense and have them appear on your behalf in the Lawsuit.

## **THE COURT PROCESS**

### **20. When and where will the Court decide whether to approve the Settlement?**

The Court will hold the Final Approval Hearing at **10:00 am on June 30, 2026 in Courtroom 3D of the United States District Court for the District of New Jersey, Camden Division, Mitchell H. Cohen Building & U.S. Courthouse, 4th & Cooper Streets, Camden, NJ 08101**. The purpose of the hearing is for the Court to determine whether the Settlement is fair, reasonable, adequate, and in the best interests of the Settlement Class. At the hearing, the Court will hear any objections and arguments concerning the fairness of the proposed Settlement, including those related to the amount requested by Class Counsel for attorneys' fees and expenses and the requested service awards for the Class Representatives.

**Note: The date and time of the Final Approval Hearing are subject to change by Court Order. Any changes will be posted at the Settlement website, [www.SartanMedicationSettlement.com](http://www.SartanMedicationSettlement.com).**

### **21. Do I have to come to the hearing?**

No. Class Counsel will answer any questions the Court may have. You are welcome to come at your own expense. If you send an objection, you don't have to come to Court to talk about it. As long as your written objection was filed or mailed on time and meets the other criteria described in Question #15 and detailed in the Settlement Agreement, the Court will consider it. You may also pay a lawyer to attend, but you don't have to.

### **22. May I speak at the hearing?**

Subject to the approval of the Court, any objecting Settlement Class Member may appear, in person or by counsel, at the Final Fairness Hearing to explain why the proposed settlement should not be approved as fair, reasonable, and adequate, or to object to any petitions for Attorneys' Fees, Expenses or Service Awards.

If you intend to appear at the Final Fairness Hearing, you must file with the Clerk of the Court and serve upon all counsel designated in Question 15 above a notice of intention to appear at the Fairness Hearing by the objection deadline as specified in the Preliminary Approval Order. The notice of intention to appear must include copies of any papers, exhibits, or other evidence, and the identity of witnesses, that you or your counsel intends to present to the Court in connection with the Final Fairness Hearing.
